Mirko Palestino

Mirko Palestino was born in Gallarate, Varese (IT), in 1994. He studied Business Economics and Foreign Languages at ITE E. Tosi in Busto Arsizio. During his studies he had the opportunity to take part to several international projects abroad that gave him the possibility of visiting several countries and gaining advanced communication skills in different languages. In particular, he had the opportunity of participating as Italian delegate to the World School International Forum 2012 held at Lincoln Memorial University of Harrogate, Tennessee (USA).

The 18th November 2013, he has been awarded with "CertiLingua - Attestato europeo di eccellenza per competenze plurilingui e competenze europee/internazionali."

He is currently getting a B.A. in International Sciences and European Institutions at the University of Milan. After his internship at CLIMVIB, "Luigi Sacco" University Hospital, Milan, he was hired to work as support staff at CLIMVIB Grant Office, where he assists Project Managers in the implementation of international projects, in particular EU CBRN CoE P3 and P46, but also the organization of conferences, meetings, onset missions and training courses. He is also responsible for the research of new funds and the design of project proposals.

He is fluent in English and Spanish, he is endowed with a good knowledge of German and Catalan and a beginner level of French.
