

Laboratory Biosafety Training Course

L. Sacco University Hospital, Milan (Italy), March 12th - 16th 2018

	Monday 12-03-2018	Tuesday 13-03-18	Wednesday 14-03-18	Thursday 15-03-18	Friday 16-03-18	
9:00-9:30	Registration & welcome session	Primary Barriers: - Personal protective equipment - Laboratory equipment	Biohazardous Waste Management	BSL3: Agents & Specificities	Practical Session (BSL 3 - 4)	
9:30-10:00	Laboratory Biosafety		Practical exercises with fluorescent markers and UV lights			
10:00-10:30		Secondary Barriers: - Facility design and construction				
10:30-11:00		Break	Break	Break		
11:00-11:30	Laboratory Biosecurity and Dual Use of Biological Materials	Exhibition	Laboratory accidents	BSL4: Agents & Specificities		
11:30-12:00			Laboratory acquired infections			
12:00-12:30			Lunch	Lunch	Lunch	Lunch
12:30-13:00	Challenges for Biosafety and Biosecurity in the Changing Field of Biotechnology	Visit to Corelab	Practical Session	IFBA EXAMINATION (International Federation of Biosafety Associations)		
13:00-13:30					Lunch	Lunch
13:30-14:00			Laboratory Biorisk Management (1)		GLP	Introduction to occupational medicine
14:00-14:30	Break	Break				
14:30-15:00			Laboratory Biorisk Management (2)	Disinfection, Sterilization and Decontamination	Visit to Infectious Diseases Dep.	Practical Session (BSL 2)
15:00-15:30	Practical Session (BSL 3 - 4)					
15:30-16:00		Certificate of Attendance				
16:00-16:30						
16:30-17:00						

With the patronage of
